

Hypnotist/Operator Responsibility

- Take Clients within your scope of practice (otherwise refer out)
 - Manage client expectations (and your own!)
 - Give clients your undivided attention during session(s)
 - Use Curiosity to lead clients to a solution mindset
 - Elicit THEIR suggestions for success
 - Motivate clients to take the steps necessary to make the change happen
 - Get agreements from clients on the steps they **WILL** take
 - Send clients on their way empowered to take control of their life.
-
- In subsequent sessions, hold clients accountable to the agreements they made.
